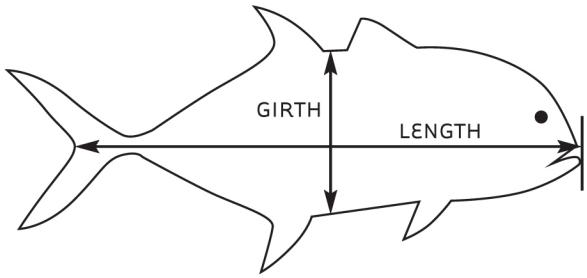
APPLICATION FORM

Please furnish as much information as possible.

1> Have fish weighed and measured in the presence of a witness who signs the official application or other acceptable weight slip.

2> How to weigh: Fish must be weighed at a fishing supply store and on an accurate certified scale (subject to verification). If fish is not weighed at a fishing supply store, fish must be photographed beside a ruler to show scale.



3> How to measure: Measure from the tip of the jaw to the middle fork of the tail (this records length). Measure around the fish where it is thickest (the records the girth).

4> Include a clear side view photograph of fish.

DETAILED DESCRIPTION OF THE EVENT
